

Make Way for the Prez!

Well, the immediate past-prez of the GCS, anyway. The inestimable honor of being the first golfer to submit a signed entry and non-bouncing check for the 2014 NHC goes to Bill Reed, Des Moines, Iowa. Bill had promised for many years to come from the west and play with the best and in 2014 he makes good on that. Due to his previous high office we may forego the ritual rookie dunking in the turtle pond. Or maybe not. Bill, behave yourself!

Second place was a scramble again this year. Next entries received belonged to the very affable Dave Gamet of St. Joe, MO and Bob and Drew White of St. Augustine, FL and Alexandria, VA respectively. Dave is returning for his 4th NHC, Bob will be competing in his 9th and grandson Drew in his 3rd. Drew is one of our First Tee junior interns who has both embraced the hickory game and excelled at it. He first came to the NHC as a caddie for his grandfather, now he's a *playah*!

Important: The new NHC web site URL was incorrectly given in the last newsletter. We had kicked around a couple different domain names as the site was being renovated and Pete sent out the wrong one. The correct one...and you should visit it soon...is... www.hickorychampionship.org
