THE NATIONAL HICKORY CHAMPIONSHIP

was established in 1998 to bring together golfers who enjoy playing golf in historic conditions, the way it was played before the turn of the century. Playing according to 19th century rules and using authentic 19th century equipment makes the NHC the sternest test of hickory golf contested anywhere. Open to all, the NHC draws the most ardent and accomplished wood shaft golfers from across America and Canada. Competitive, yet fun, it is America's hickory championship—the ultimate test of hickory golf.

The 2012 National Hickory Championship will be conducted over historic Oakhurst Links, first used in the early 1880s. Contestants in the Championship play 36 holes in two days. Clubs must be original 19th century or approved replicas (available at Oakhurst, no charge, if you don't have your own set) and all players use the same modern-made, low-compression gutta percha-type balls supplied by the Championship. Tee shots are struck from sand tees. No golf bags are allowed so players carry clubs under their arm in the manner of the 1880s. There is a simple dress code. Although period costumes are not required, many golfers dress appropriately and prizes are presented to the "best dressed." The NHC is like no other hickory golf tournament here, in Britain or anywhere else in the world; it is authentic, competitive, historic, truly unique and, above all, fun!

The Championship offers competition in four divisions. The **Open Division** is a 36-hole scratch competition playing for the title of America's National Hickory Champion under 19th century equipment and rules. The **Men's** and **Women's Reserve Divisions** also use 19th century equipment and are scored on a handicap basis for 36 holes. The **Sporting Division**, open to men and women, features two nine-hole rounds for seniors and those not wishing to climb the hills twice in the same day. Additionally, the Elmore Just Foursomes Competition is staged on the practice day (Thursday) prior to the Championship rounds. Two-player teams play the historic format of alternate stroke for fun, prizes and an appreciation of how golf was played in the early 19th century. Practice time is also available on Thursday afternoon. Rule books are provided containing the 1891 unified code, the first general set of golf rules (with local Oakhurst provisions added). A cocktail reception on Thursday and the Championship Dinner on Friday provide for socializing.
